#### PARC NATIONAL DES CEVENNES

[www.touristravacances.com](http://www.touristravacances.com)

**Situated in the Cévennes National Park, St Germain Calberte is a great place to vacation in the great outdoors and nature. Numerous hiking trails allow visitors to discover the heart of the Cévennes, a country with bewitching valleys stretching out of sight. A 4 km from the town, the residence catering "Lou La Serre Can" drowned in the forest at 720 m. above sea level, offers a magnificent panorama Cévennes. The area is also rich in natural sites, caves and gorges and visit castles and craft workshops.**
